Education

MCA *APJ ABDUL KALAM TECHNOLOGICAL UNIVERSITY*   **Thiruvananthapuram, Kerala** *2022-2024*
Rajiv Gandhi Institute Of Technology

BSc Computer Science *CALICUT UNIVERSITY*   **Calicut, Kerala** *2018-2021*
Sree Narayana College Vadakara

Projects

- **SMS ADARSH:** Developed a comprehensive Student Management System for a special school, incorporating a wide range of functionalities tailored for in-house use.

- **RESUME ENHANCEMENT SERVICE:** The website helps office staff enhance candidate resumes by leveraging AI-generated content and DWMS data. This tool creates optimized, ATS-friendly resumes with job-specific keywords, making candidates profiles more relevant to job descriptions.

- **CROP YIELD PREDICTION AND PLANT DISEASE DETECTION:** Integrated a deep learning model into a user interface using the django framework for my MCA mini-project, conducted from october 2023 to december 2023.

- **ANDROID MERCHANT WEBAPP USING QR CODE:** Developed a merchant web application that supports a universal payment solution for my Bsc computer science graduation project, completed between december 2020 and april 2021.
